

July 2017

Message from the President

It is almost proper summer and the last two days have felt like it - good for outdoor work; not so good being inside sewing and quilting.

The guild is still basically in the same position as it was last month - in need of a president and vice-president, but I remain ever optimistic.

There will be sign-up sheets for quilt show jobs that need to be filled if we are to have one. Please think about choosing one, two or several shifts that you can fill.

That's it for this month. I look forward to July's pot luck dinner as there are always things which I don't prepare, generally because my husband won't eat them. And don't forget to bring your quilt show registration forms which are due July 6.

PROGRAM

The July program will be the potluck. No restrictions on what to bring. Just come with some food, ready to eat and socialize for the evening.

We had originally been planning a teacup auction for the August meeting, but that has changed. It was brought to our attention that if we are having a show in Oct., we need to have a planning meeting sooner than Sept., so the August meeting will now be a planning meeting for the show. Plan to put your teacup auction items together for an item for the table at the show. If you have offered to head up or work on one of the show committees, please come to the Aug. meeting ready to discuss what you have planned and what you will need.

We need to decide if we are having a free table or a swap table. If it is a free table, you do not need to bring something in order to take something. If it is a swap table, then you bring in something, and wait until after the business meeting to take something. Remind us to vote on this.

Our program committee duties are done with the Aug. meeting. There is no new committee assigned as of yet. It was suggested that a different person, or group of people, take turns presenting a program.

Until that is all decided, is there someone who can plan for Sept.? Or... will Sept. be another show planning meeting?
