

# Common Threads Quilt Guild

# February 2010

## Message from the President

A Happy New Year to all of you. It was good to see those who braved the weather that was pretty nasty in some places.

2009 was a very busy year for the Common Threads; the Mary Ellen Hopkins "Event", ( and it was an event!) and our beautiful Harvest of Quilts Show were the highlights of the year. Our membership has grown by leaps and bounds with new friends and new talent to share. Our charitable work in our community and elsewhere continues to grow and is something that we should be very proud of. 2010 is looking like another busy, fun year for the Guild. I'm busy trying to use up my stash so that I can justify some "serious shopping" on our trip in May! Planning for the Debby Caffrey Trunk Show and workshops in early June is beginning this month. Martha and Andrea will continue to offer great programs: BINGO!

Because of the weather at our last meeting and wanting to leave enough time for the program and be able to leave a little earlier, I left a few things off the agenda. This newsletter will have a lot of extra news for you from Martha, Andrea and Sharon and I have a couple of things I'd like you to think about and come to our next meeting with your thoughts and ideas. This has come up before I think, but what do you think of the Guild having a Classified Ad Section in the newsletter? We have members who have quilting related businesses or shops, talents that many of us have taken advantage of. This might be a way for us to further promote and support our own. It might also be a way for people to advertise quilting related items they might want to sell. I would also like some help with "jump starting" our mini library!. The project got kind of lost in more important things. Give me your feedback and HELP!

Keep warm and take care, *Kathy Krypel*

# Secretary's Report

On January 7, 2010 the Common Threads Quilt Guild met at Sterling View with 37 members present. Marilyn Bennett won for bringing canned goods and Connie Page won "Just for Coming". Connie made a motion to accept the Secretaries Report seconded by Mary Dick. So Moved. Anita told us kits were available for Sunshine quilts and another workday will be scheduled next month. Lil reported that two Sunshine cards were sent out.

Sharon Perry wasn't able to attend so Kathy Krypel let us know that Sharon's husband was willing to do a web site for the guild. More information will be forthcoming.

Barb O'Toole came with a limited number of patterns for the mystery quilt. Please see the newsletter if you did not get one.

Pat Slack has a sewing day scheduled on January 21 at 9:00 to work on the raffle quilt. You will need machines, cutters etc.

Kathy Krypel and Barb Scribner took down the tree at Helen Day and we hope to do it again next year, although we may have to purchase our own tree.

The committee for charitable donations offered the following: The Vermont National Guard for Lamoille Count Families, Meals on Wheels, Lamoille Area Cancer Network, Clarina Howard Nichols Center and Home Health and Hospice. Each to receive \$200.00. Annie made a motion to accept: Pat seconded. So Moved.

Martha and Andrea's schedule of programs include February- Wool March - Bingo. The pattern will appear in the newsletter. Bring your square, buttons, and a fat quarter for the prize basket. The Teacup Auction will happen in April so you can begin to bring your donations next month so they can be sorted and bagged ahead of time. The bus trip will be May 1 and 2. Martha and Andrea showed us how to quilt as you go

Respectfully Submitted, *Ruth Wesolow*, Secretary

# Mystery Quilt #1

Welcome to the 5th installment of our Mystery Quilt. You'll be working on block #2 this week. You need fabrics 4,8 and 10 for this step.

Block #2- Step 1:

- \*A-Fabric 4 –Cut 2 strips  $3\frac{1}{2}$ " by the width of the fabric .
- \*B-Fabric 10- Cut 2 strips  $4\frac{1}{2}$ " by the width of the fabric.
- \*C-Fabric 8 – Cut 2 strips  $5\frac{7}{8}$ " by the width of the fabric.

Step #2:

Sew fabric 4,10 and 8 strips together in that order. Make 2 of these strip units. Press seams towards fabric 8.

Step#3:Cut these strip units into (5)  $12\frac{7}{8}$ " X  $12\frac{7}{8}$ " squares.

Step #4:

With fabric #4 on the top, draw a diagonal line from corner to corner as shown. IT IS VERY IMPORTANT THAT THE FABRICS ARE POSITIONED AS SHOWN AND THE DIAGONAL LINE BE DRAWN FROM THE TOP LEFT HAND CORNER TO THE BOTTOM RIGHT HAND CORNER. Do this with all 5 blocks.

Congratulations! You have completed the first part of block #2 in our Mystery quilt.

We will be using 4 different fabrics for this block. If you wish to introduce 4 additional fabrics for this block, you may do so, or you may use the fabrics suggested from block 1.

\*If you would like to raid your stash for 4 different fabrics, you'll need to have  $\frac{1}{4}$  yd of A,  $\frac{1}{3}$  yd of B and  $\frac{3}{8}$  yd of C. You'll also need  $\frac{3}{4}$  of a yard of your 4th fabric for the next step.\*\*

Join me next week for the next fun installment of our Mystery Quilt!

## GUILD WEBSITE

At the January meeting, Kathy Krypel briefly discussed the possibility of creating a guild website. In the meantime, Sharon Perry's husband, Scott, has developed a prototype website which can be found at <http://www.vtmooses.us/ctqg.html>. Scott has also agreed to maintain the guild's website free of charge as long as the design remains simple and easy to access by all internet users to include those still on dial-up.

Currently, the prototype is part of Sharon and Scott Perry's personal website, [www.vtmooses.us](http://www.vtmooses.us), since no final decision has been made by the guild about the website or any specific details. Please take some time and visit the prototype to see what information could be made available to guild members via the internet. As a note, the website is a "work in progress" and can be changed to meet the needs of the guild members. Some of the links have actual guild information; these include the "Officers" and the "News w/ Minutes & Treasury" links. Other links can be accessed but only serve as a placeholder until more information can be uploaded. You can also see two fully developed websites which Scott Perry maintains at <http://www.montgomeryvt.us/> and <http://www.vtmooses.us/fcqg.html>. By visiting these sites, you can see what can easily be included in a simple and easy to access format.

The cost of having a guild website would be as little as \$50 a year or as much as \$150 a year (or about \$12.50 per month). For \$150 a year, the guild could have its own domain name such as commonthreads.org or commonthreadsvt.com. At the lower cost of \$50, the website would have to remain a subset of the Perry's personal website. For the nominal cost of about \$12.50 per month (billed annually), it is recommended the guild register its own domain name and set up a separate website.

Sharon Perry will discuss the website proposal in further detail and answer any of your questions at the February meeting as long as the weather cooperates. In the meantime, check out the guild's prototype website and the two other websites Scott maintains and see what is possible on the internet for our guild.
