MARCH 2023

## The President's Block

Hello fellow quilters,

This has been a strange winter so far. Do you suppose that we might get a storm with 2 feet of snow in March?

For those who have joined the 23 in 2023 Challenge, how is it going? I'm trying, but am having a bit of a quilting slump. I have a lot of projects in mind, but am having a time getting started.

I have 10 more months, don't I? In fact, I have a project left over from 12 in 2012. Remember that year? For those who weren't with us then, it was the same as 23 in 2023. I enjoyed participating in that one, so know I will this time, also. I just like to complain. I'm really looking forward to seeing all the projects the rest of you are working on.

I am so looking forward to meeting again in March.

In the meantime, keep on quilting.

## FEBRUARY LEARNING & SEWING SESSION "BACK TO BASICS": BEGINNER QUILTING CLASS

We will be making a small project upstairs at the Johnson Municipal Building on February 25<sup>th</sup>, 9 am – 3 pm. Bring the following things **IF** you have them: sewing machine; scissors; rotary cutter and mat; pins; needles; seam ripper; extension cord; thread; notepad and pen; and some fabric. Also bring a lunch and something to drink. For those that have them, bring your binder with the handouts from the meetings. The class will start off where we left off. There will be copies available for those that are not members.

Please let Andrea Blaisdell know by email ([asblaisdellvt@gmail.com](mailto:asblaisdellvt@gmail.com)) if you would like to attend or have friends who would like to attend. It is not required to bring anything if you do not have the items listed; you can just come and learn. There will be things to use for the day and some fabric as well. Deadline for sign up is February 22<sup>nd</sup>. There will be a small donation of \$5 for each person to cover the use of the room. Email Andrea Blaisdell, [asblaisdellvt@gmail.com](mailto:asblaisdellvt@gmail.com), with any questions.

*We encourage the guild's more experienced quilters to join us to help guide and mentor those attendees without as many quilting hours under their belts.*

## MARCH MEETING "BACK TO BASICS": COLOR THEORY

We'll be watching a video at the March meeting to learn all there is about color theory and its application in quilt making. In the video, Becky Goldsmith of Piece O' Cake Designs will share practical ideas for working with color and fabric that will give you confidence as you make your quilts.

As part of the program each month, we'll end with a Q&A and "best practices" segment. We hope to have the more experienced quilters in the guild share lessons they've learned and tips and tricks they discovered along their quilting journey.

*Happy

Day*

**WAYS TO CELEBRATE  
 NATIONAL QUILTING DAY**

- Make or Donate a Quilt for Charity: Charity quilting is one thing that combines our skills and our hearts to help give comfort and warmth to strangers in need.
- Visit a Quilt Museum: Quilt museums are chock full of amazing quilts and inspiring stories. If you're not lucky enough to have one in your neck of the woods, check out the International Quilt Museum's virtual experiences on their website.
- Do the Vermont Shop Hop and Visit Your Local Quilt Store(s): Are you in need of fabric, thread, or new tools? This is a good day to support the quilt shops in Vermont and to see what's new.
- Take a Quilting Class or Workshop: Stretch your quilting skills! Have you made any foundation-pieced quilts yet? Are you ready to try appliqué? Want to learn more about long arm quilting? Classes and workshops are the perfect way to explore and try new techniques. Contact your local quilt shop or check out the workshops at Quilting Daily.

- Hang a Quilt on Your Porch or in a Window: For many quilters, showcasing beautiful quilts outside their homes is a tradition on National Quilting Day.

**SUNSHINE CARDS FOR OUR MEMBERS**

If you know of a guild member who is in need of encouragement or comfort due to an illness, bereavement, etc., please contact Hilda Tallman, 802-888-3808. She will send out an appropriate card.

**SUPPORTING THE LOCAL COMMUNITY**

Guild members are asked to bring nonperishable food shelf donations to Sterling View, the host site of our meetings. Sterling View distributes those donations to the local food shelf. Please drop your items in the basket near the door.

**MORE WAYS TO CELEBRATE NATIONAL QUILTING DAY**

- Host a Mini Quilting Retreat: Whether you're a member of a quilting bee or have just a couple of quilting buddies, what could be more fun than a one day quilt-a-thon? Include a show-and-tell, plan a block swap or fabric swap, or play Quilt Bingo. (And don't forget the chocolate!)
- Teach a Friend or a Child to Quilt: Start with the basics and an easy pattern. If you have young kids or grandchildren, spend a few hours playing with simple fabric shapes on your design wall, or prep some fabrics with fusible web and let them have fun cutting and arranging patches on a background piece. You just might create a new fabric addict!
- Pick Up a New Quilting Magazine: Magazines to check out include: Fons & Porter's Love of Quilting; Fons & Porter's Quick + Easy Quilts; McCall's Quilting; Quiltmaker; and Quilting Arts. You're probably familiar with at least one of these magazines...why not take the opportunity to check out something new to you?
- Listen to Quilting Podcasts: Quilting podcasts are some of the best ways to keep up with what's happening and who's who in the quilting world. Grab your ear buds or headphones and catch up on episodes while you quilt.

**QUILT TIPS**

- Whenever you draft an original pattern or make changes in an existing pattern, always work without seam allowances. After you figure the math (or

drawings) on your borders, blocks or whatever, then add seam allowances. This will minimize confusion and let you concentrate on design.

- Make your binding when you finish your quilt. Then you won't accidentally use the fabric for another project before the quilt gets finished.
- Make your outside border about 1/2" larger than you really want it. That will give you room to square up the quilt after it is quilted.
- If one of the two pieces (blocks or top and border) is SLIGHTLY larger, put the larger one on the bottom when sewing, pin liberally, and the feed dogs will help ease the larger piece to fit. This is known as BOB...Bigger (or Bias) on Bottom.
- Use a picnic silverware organizer to organize your rotary cutter, scissors and marking pens.
- When sewing a large backing together, leave the salvage on the material until after you sew it together, then cut it off. Your material will stay straight while sewing.

Tear bread into pieces and place in a food processor or blender. Cover and pulse until crumbs form. Transfer to a large bowl. Melt remaining 2 tablespoons butter. Drizzle over bread crumbs; toss to coat. Sprinkle over celery mixture.

 ⅓ cup olive oil  
 Kosher salt, freshly ground pepper  
 6 dried Turkish figs, very coarsely chopped  
 1 fennel bulb, core removed, very thinly sliced  
 6 – 8 celery stalks, very thinly sliced  
 4 ounces blue cheese, crumbled

Preheat oven to 350°F. Toast walnuts on a rimmed baking sheet, tossing once, until golden brown, 5–8 minutes; let cool.

Finely chop 1 shallot half, then thinly slice the other half crosswise; set sliced shallot aside. Combine chopped shallot, mustard, sugar, and 1/4 cup vinegar in a resealable jar. Add oil and season with salt and pepper. Cover and shake to emulsify; set vinaigrette aside.

Toss figs, reserved sliced shallot, and remaining 1/4 cup vinegar in a small bowl; let sit until figs and shallots are softened, at least 30 minutes.

Just before serving, toss fennel, celery, blue cheese, and toasted walnuts in a large bowl. Drain figs and shallot and add to bowl. Drizzle with vinaigrette and toss to coat; season with salt and pepper.

## MARCH

By Annette Wynne

March is windy, March is wild,  
Hurries like an eager child;  
Puffing mouth and ruddy face,  
Rushing in a windy race;  
A breath or two he stops, and then  
He's puffing madly off again.  
March is windy, March is wild,  
A rushing, blowing, puffing child.  
And why does March go rushing so?  
He's trying to catch spring, you know.

## QUILT SHOW RETURNS TO SAINT ALBANS AFTER 4-YEAR HIATUS

The Franklin County Quilters Guild hosts its 23<sup>rd</sup> annual Quilt Show on Saturday, April 1<sup>st</sup> and Sunday, April 2<sup>nd</sup>, 2023, in Saint Albans City Hall, 100 North Main Street. This event is FREE and open to the public; City Hall is an accessible facility. On Saturday the quilt show hours are 9:00 am to 4:00 pm while on Sunday the doors will open at 10:00 am until 3:00 pm. Due to pandemic restrictions, this is the first time in 4 years City Hall will be filled with quilts made in a beautiful array of fabrics and colors. The last show was held in April 2019.

"It's the best quilt show in Franklin County, Vermont!" Over 100 quilts will brighten City Hall on the first weekend in April. All the quilts are made by the members of the guild and include bed quilts, wall hangings, baby quilts, challenge quilts, and miniature quilts.

In addition to viewing the many quilts, show attendees can buy handcrafted items including table runners, placemats, and small quilts from the Members' Boutique. Or take a chance on the guild's Raffle Quilt beautifully constructed by guild members and long arm quilted by Diane Comeau, formerly of Saint Albans.

Attendees can also shop at vendors' booths featuring quilt-related items such as patterns, fabrics, and notions. On street parking is available as well as a parking garage which can be accessed from either Lake or Federal Streets. The city's coffee shops, restaurants and stores are open on Saturday and have limited hours on Sunday.

There will be special displays of the Sugarhouse Sampler Mystery Quilts and the Dresden Plate Challenge Quilts. The Sugarhouse Sampler is an original design by Diane Comeau. Members made their sampler quilts last year in primary and secondary colors with either a light or dark background. For the Dresden Plate Challenge, guild members are challenged to incorporate the Dresden Plate quilt block into a small quilt.

Additionally, the 2023 Charity Quilt will make its debut at the quilt show; it was long arm quilted by Julie Cowles of Alburgh. The guild annually donates a large bed quilt, made by guild members, to a local charity for its fund-raising efforts. The Catholic Daughters of St. Albans will receive this year's charity quilt. The guild has also donated thousands of smaller quilts to local charities and individuals since it was founded in 1991.

The Franklin County Quilters Guild is grateful to its quilt show sponsors: *Gold Level* – Handy Toyota, Scott and Sharon Perry, and Suncrest Health Care Communities; *Silver Level* – American Legion Green Mountain Post #1, Rail City Market, The Eloquent Page, and Vietnam Veterans of America Northwestern Vermont Chapter 753; *Bronze Level* – Dickinson Branon Dental, Elderberry Lodge, Sampler House Bed and Breakfast, and Treasured Moments Quilting. Our generous sponsors and proceeds from the raffle quilt allow the guild to defray the costs of the quilt show so the public can enjoy our members' quilts.

Come spend the day in downtown St. Albans, discover the art of quilt making at City Hall, and explore the many quaint shops and restaurants throughout the downtown. For more information, email [franklincountyquilters@gmail.com](mailto:franklincountyquilters@gmail.com), or visit [www.franklincountyquilters.org](http://www.franklincountyquilters.org) on the web.

### MORE QUILT TIPS

- Schedule 15 minutes every day to quilt. It's amazing how much you'll get done by doing this! 15 minutes can stretch into an hour and progress is quickly realized both with your projects and your techniques.
- If you pre-wash fabric before cutting for a quilt, snip a small triangle off the 4 corners. This stops an amazing amount of raveling.
- Do you have "left-over" bits and pieces from previous projects? Choose a starting piece and build from it in all 4 directions. Make several squares. You choose the size, trim the block to that size, and assemble the blocks with sashings and cornerstones to make a quilt top.
- A favorite tool for turning small pieces to the right side and pushing out corners is a fingernail cuticle tool.
- Use your left over batting pieces on your Swiffer mop for a cleaning pad. It works great in the sewing room to pick up lint and threads.
- If you have decorative stitches on your machine, layer two pieces of fabric with batting in between and make samples of your decorative stitches. Be sure to write the number of the stitch next to each sample.
- Take classes and refresh your skills no matter how seasoned a quilter you are.
