Message from the President

Hello everyone,

I am so happy to hear the birds singing in the morning! My little irises are blooming and the geese and ducks are back in the swamp. I think spring might stick around.

Millie's service was very nice. The church was beautiful with some of her quilts and all the flowers. Thank you to everyone who contributed to the flower arrangement. I collected a total of \$178 .The flowers with tax and delivery came to \$102 so that leaves \$76 to be donated to LACN in Millie's memory.

I hope everyone enjoyed the trunk show by Pauline Lang and the class if you took it. I myself enjoyed it very much. I learned a few things and got inspired to get some sewing done. Please bring your table runner to show if you have it finished.

It's that time again to form a nomination committee for new officers. It only takes a couple of members to gather nominees and present them at the June meeting. If you are interested in being on the committee or taking an office please let me know.

See you in May,
Andrea Blaisdell
